[Memorial Park Association Receives Historic Preservation Award](#)

Jacksonville, Fla. — May 29, 2016 — [The Memorial Park Association](#) was honored by the City of Jacksonville's [Jacksonville Historic Preservation Commission](#) as the award recipient of the **Archaeological/Landscape/Park** category at the Historic Preservation Awards, held May 12th, at the [Jacksonville Main Library](#). The award was in recognition of the Conservation & Restoration of the *Life* sculpture, basin and fountain in Memorial Park.

In November 2015, the Memorial Park Association, in collaboration with the [City of Jacksonville](#), began restoration of the *Life* statue, basin and fountain. The project was completed in December, 2015. The restoration was funded by private donations from current and former MPA board members and a matching grant from the City of Jacksonville. The MPA contracted with restoration artists who would maintain the historic character and look of these pieces, using modern materials and methods that would be consistent and compatible with those originally used.

Along with the MPA, the [JHPC](#) recognized [Councilmember Jim Love](#), CMS Group, LLC, [McKay Lodge Conservation Laboratory](#), [Parks, Recreation and Community Services \(COJ\)](#), [W. W. Gay](#), [B&G Electrical](#), and [Innovative Fountains](#) for their contributions to this project.

[About Memorial Park and the Memorial Park Association](#)

Memorial Park is located at 1620 Riverside Ave., between Margaret Street and Memorial Park Drive in Riverside near the 5 Points area of Jacksonville, Fla. Established in 1986, The Memorial Park Association is a nonprofit charitable organization serving its mission to enhance, promote and preserve Memorial Park as the premier historic park in the City of Jacksonville. Designed by the famed Olmsted Brothers and dedicated on Dec. 25, 1924, it is the only park in the state dedicated to the 1,220 Floridians who lost their lives in service during World War I. In 2012, the Memorial Park Association initiated major planning efforts to restore and rehabilitate Memorial Park to its original grandeur, culminating in the development of a viable master plan that will serve as the foundation for continued restoration efforts.
